Namirial  
COMPLIANT

Namirial Group, as producers of software concerning handwritten biometric signature, certify that the  
**SAMSUNG GALAXY TAB S10 LITE**

is a **Namirial Compliant Device** with the following features:

| DEVICE |             |                     |
|--------|-------------|---------------------|
| (1)    | BRAND       | SAMSUNG             |
| (2)    | DEVICE NAME | GALAXY TAB S10 LITE |
| (3)    | DIGITIZER   | WACOM               |

1. Device brand

2. Commercial name of the device

3. Type of Digitizer

The certificate doesn't mention the OS version. The compatibility should be checked with Namirial.

Considering the above features, and the certification process, the device can be used with the handwritten biometric signature solutions, provided by Namirial for:

| BASIC                                                                               | ADVANCED                                                                                           |
|-------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------|
|  |                                                                                                    |
| Biometric Data Detection (coordinate, time, pressure) to be inserted in a PDF file  | In addition to Basic, Biometric verification - Significant Biometric Server - <b>cross</b> devices |
